

BAUMALIGHT™

TWISTED J AUGERS

Twisted J offers a comprehensive line of high-performance augers on the market to maximize your performance drilling in any condition. Additionally, each Twisted J auger is standard-built with first-rate components that add quality and value such as a premium AS00 structural steel stem, top-to-bottom heavy-duty flighting, and consumables made with premium heat-treated alloy steel.

DCA-Series Auger are a cost-effective solution for drilling in displaceable soils like sand, silt, or clay. DCA augers feature a hardened cast boring to withstand the demands of repeated use.

- Bolt-on tooth design for a secure fit
- Options available in diameters from 4.5-in to 36-in
- Available in 48-in or 54-in overall lengths
- Available in semi-double or double flight designs
- Built with 5/16-in flighting and a 3.5-in diameter pilot
